## FLOOR LINERS

## CARE AND USE INSTRUCTIONS P/N 53151

Thank you for selecting a X-act Contour® Floor Liner from Winfield Consumer Products. Your new center hump liner is custom molded to fit your Chevrolet Silverado/GMC Sierra Extended and Crew Cab trucks. The liner is made to take the place of your factory floor mat. For correct fit, it is necessary to remove the factory floor mats before installing your new floor liner. However, do not remove the factory-installed carpeting.

Your liner is made from an engineering resin that is lightweight and extremely tough and durable. The easiest way to clean your liner is with a damp cloth or sponge. If using a cleaner, 409® or Glass Plus® work well. Use of Armor All<sup>®</sup>, Son-of-a-Gun<sup>®</sup> or similar items is discouraged as these products make the liner slick.
