- (3) 3/8" Flat Washers
- (3) 3/8" Lock Washers
- (3) 10mm - 1.50 Shoulder Nuts

### **Important Information:**

If you are not qualified or experienced at performing this type of installation, it is highly recommended that you have the Granatelli Motor Sports, Inc. Exhaust Cutout Components installed by a qualified automotive mechanic or exhaust shop. Your Granatelli Motor Sports, Inc. Exhaust Cutout Components included two different length bolts. This allows for "stack". Depending on how you assemble the system use the bolts with the proper lengths.
